CONCORD, Concord,

A 4 bedroom Eichler fixer that is a fantastic opportunity to bring this Mid-Century Modern home back to its glory. This model features an atrium which gives a light, open feel to the bedroom hallway and living areas. The atrium can be used to create unique living spaces such as a garden or meditation area. The glass walls in the living room give an indoor/outdoor feel to the living space that Eichler is famous for. The kitchen has an island with a stovetop and opens to an eating/living area so that the chef can be part of the conversation. The kitchen and bathrooms have some updating. There is a two car garage and a bonus room off of the kitchen with tons of storage, the washer and dryer and access to the side yard. The back yard has a fruit tree and plenty of space for entertaining. Close to BART, shopping, commute routes, schools and dining. If you've never seen or considered an Eichler this may be your chance to discover why they are so popular.
