Vista Plaza (VSPL), Aliso Viejo,

Spectacular views and impeccable style are what make this 3 bedroom 2.5 bath home stand out in any crowd. Designer level finishes and the expansive views will make it hard for you to leave and always happy to come home to. This Vista Plaza condominium lives like a single family home and does not share any walls with the neighbors. The home was extensively renovated in 2017 and just recently has received new carpet on the 2nd floor and tile in the primary bath. While enjoying defined spaces on the main living floor, you will still feel connected to your family and guests wherever they are. Escaping upstairs you will find 3 bedrooms, laundry room and an open loft/flex space that is only limited by your imagination. The spacious primary bedroom shares those panoramic views and treats you with a walk-in closet, ensuite bath with dual vanities and separate shower and soaking tub. The secondary bedrooms are generously apportioned and have easy access to a shared bath with dual vanities. The HOA amenities include an enormous pool, hot tub, very well equipped gym and a club room for indoor events.
