View! View! View! Exclusive Country Club location! A custom-renovated view home with 5 bedrooms, a study, and a huge balcony to enjoy the ocean, mountain, sunset, and far coastal line views with twinkling lights. There are two bedrooms with one and one-half baths at the main level, and three bedrooms upstairs with the study, which all open to the balcony with views except for one bedroom. Great open floor plan with the guest suite and another bedroom at the main level, and views can be enjoyed from the huge family room, the formal dining, the gourmet kitchen, the breakfast nook, and the bedroom. It is easy to entertain and also for everyday living. The last major renovation was done with permits for the expansion, including a new roof, etc. The seller is moving out of the state after 35 years of happy living in this home. A pleasure to show.

Built in 1974
