N/A, Rancho Palos Verdes,

Perhaps itâ€™s the palm trees and the trickling fountains, or perhaps it's the gobsmacking ocean views, but thereâ€™s a definite tropical vibe to this split level Country Club home. With huge picture windows and sliding doors along the west side of the home, youâ€™ll never tire of the unobstructed ocean views. A large living room with fireplace welcomes you. The adjacent formal dining room has a mirrored wall so all can enjoy the views! The spacious kitchen opens to the family room on one side and the massive, enclosed â€œsunroomâ€• on the other. Spacious bedrooms include a luxurious Primary suite with expansive views. It's a very flexible floor plan with multiple living spaces that can be used as an office / den, maybe even a fourth bedroom. The relaxing backyard includes an inviting pool, spa and plenty of deck space for entertaining parties both large and small. Located in a quiet neighborhood, these custom homes enjoy quick access to all of the amenities on the top of the hill.
