Huntington North (HNOR), Huntington Beach,

This large family home is perfect for a mother in law set up. There are two master suites! A separate entrance from one of the master suites makes it very private and convenient.

This master suite includes a walk in shower, walk in closet, dual sinks in the bathroom and built in cabinets in the bedroom area with its own kitchen sink. The interior has been freshly painted and there has been new waterproof laminate flooring installed. Lots of natural light shines through this spacious home with ceiling fans throughout. Do you have your own business and need a place to park your trucks or do you have a motorhome or boat and need a place to store it? It's perfect for either of these needs. The three car garage includes a workshop area and there is plenty of storage. Be sure to note of the extra large lot and an automatic gate in the back. The landscaping is low maintenance with lots of brick work and artificial turf.
