Pacesetter One Story (ICPI), Costa Mesa,

Once in a great while the perfect house married to one of the most coveted streets in Mesa Verde enters the marketplace.... This time is now. The owners remodeled this home to their exacting standards. The moment you drive up the wow factor begins. Custom front driveway and parking for 4 cars. Styling is a plus with custom walkway, lighting, and security courtyard gates. Open the front doors to beautiful luxury vinyl flooring throughout and views all the way to the rear yard. Flowing floorplan leads to remodeled kitchen with stunning countertops, custom backsplash, and designer lighting. You will need to spend time here looking at all the fine finishes. And you have to experience the center island. Simply a masterpiece and a gathering point for all. Open the custom doors to one of the most beautiful yards we have seen. Above ground jetted swim pool. Designer "She Shed" matches the home and a patio that can easily seat 12. The landscaping is lush and the yard completely private. There is even an enclosed sunroom that speaks SERENE. The vibe continues as you enter the master bedroom with an oversized walk-in shower. The private master is located at the rear of the home and is both romantic and a treat to relax in. Loads of closet space. The other 3 bedrooms are all good size and are being used creatively as a walk-in closet, a man cave and another office. A true artist lives here, and you have to experience this home to appreciate its uniqueness and expertise in

tasteful design style. All upgrades done to the highest quality. Even the roof is extravagant Presidential Triple layered with up to a 50 year lifespan!! A "must experience" to fully appreciate. We are having an open house this Saturday 1 to 4!
