OTHER, Anaheim,

This is a charming historic, classic beaux art architecture built in 1921 and restored to the period 'look' of the 1920s. It is located in the Anaheim Colony Historic District, across the street from Center Street Promenade restaurants & shopping and nearby to the Packing District, local breweries & much more. The property is part of the Mill's Act in Anaheim. This 1 bedroom, 1 bathroom unit offers original hardwood floors, stained & varnished wood trim, a full kitchen + many, space saving, built-ins typical of the beginning of last century. My favorite feature of this home is the pull out Murphy bed that's located in the closet in the living room. This complex participates in the Mills Act Program & is the choice of residents seeking historic charm, architectural character, & quality construction. A detached, single car garage is included in the rent + a brand new washer and dryer in the unit.

Built in 1921
