Alondra (ESALON), Rancho Mission Viejo,

Are you looking for the perfect home in the perfect storybook neighborhood with an AMAZING VIEW? Perhaps this is "the one" for you. This home has never been lived in and feels and smells like a brand-new home. The owners handpicked, in their opinion, the best lot in this neighborhood when the 55+ development was established and chose the optimum floorplan for single story living. Only a loft is upstairs that has been designed as a wine tasting room, complete with a wet bar and separate half bath. Nearly every room in this carefully thought-out, generously appointed home has a panoramic view of the rolling hills. Enjoy gorgeous sunsets while surrounded by beauty and the sound of a waterfall. Entertain your family and friends with the well-appointed outdoor kitchen and spacious firepit area. The California room provides a warm space when cold and rainy outside as it is complete with a cozy fireplace. The "third" bedroom is currently set up as a den/office but one could easily add a closet and turn it into a guest bedroom. This is a must-see property and can only really be appreciated in person!

Built in 2016
