Residential on 0 Acres

Rancho (RNC), Long Beach,

It is rare and wonderful to find a Cliff May
â€œœlanai modelâ€œ in its original architectural
form, and here is one that offers not only the
charm of this particular design, but also 21st
Century comforts. This pristine residence sits
behind a privacy fence with rolling driveway
gate that takes full advantage of the lot for
private enjoyment, capturing a large front yard
with lawn and patio (and plenty of room for a
pool if so desired). The open island kitchen
and living room blend seamlessly and are
awash in natural light from Cliff May style
doors and floor-to-ceiling windows that flank
the living area. Adding to the appeal of this
property is its quiet location within a
sought-after neighborhood, the Rancho
Estates of Long Beach, renowned for its
midcentury modern architecture, tree-lined
streets, strong sense of community, safety,
and proximity to 800 acre El Dorado Park and
Nature Center.

Built in 1954
