This impressive oceanfront villa delivers a premium property experience crafted on a scale and magnitude that will leave you speechless with its stunning design elements. For those seeking front-and-center beachfront living but also requiring privacy, this is your Strand home. A retracting 16' atrium window opens to a very rare, practically full-length rooftop deck engineered for a future rooftop pool! The over-sized beach level patio sits below The Strand offering another great entertaining environment tucked away from passersby, yet within a few steps of the beach. There are two fully-loaded Viking outdoor kitchens - one on the beachfront patio and the other on the rooftop. Influenced by the original owner's travels throughout Italy, no expense has been spared in creating this masterful trophy home. Every fine detail and amenity has been painstakingly planned; every aspect beautifully considered. From the expansive beach level great room with an 800 gallon saltwater aquarium to the hand-carved wood floors and imported Roman marble tub, there are too many amenities and details to present in a short description! This home simply must be experienced. Fully loaded with smart-home features, elevator & dumbwaiter, theater & gym, a 5' La Cornue range, and a private master "apartment" like you've never seen! Within a stone's throw of the beach, there is easy access to the fine restaurants and the vibrant community scene found throughout North Hermosa and South Manhattan Beach.
