The grand high-roofed architecture is outstanding, the pine trees at the entrance make a big statement, the tall palm trees form the skyline of Goose Row, and the oversized garden gives the children a wonderful childhood. The open kitchen is connected to the living room, allowing the chef to enjoy cooking. Through the north wall of the kitchen, the glass design of the roof allows your family to enjoy dinner without missing the beautiful starry sky ?? All rooms are designed to be upstairs, with laundry and common areas downstairs. There are two attached garages. So your children and every family member will be well taken care of. The master bathroom has a glass roof allowing the owners to spend a romantic summer night under the stars while enjoying the spa. Upstairs, the rooms are nicely laid out, with the north and south sides connected by a long hallway, ensuring privacy and comfort. Standing on the long corridor overlooking the entire downstairs, you can see the open and tall roof, echoing the warmth and romance of the top and bottom.
