A rare offering....beautiful large acreage towards the top of Kaiwiki Rd in Hilo, come see nature at its best with an abundance of native trees (Koa, Ohia, Hapu'u), King palms, floral and fauna bordered by conservation land for optimal privacy. A river winds through the property which looks to flow year round. The property has multiple building sites on both sides of the river, a very nice one towards the back for privacy and another in front may have some Hilo views.
