Single Family Residential on 1 Acres

N/A, Carmel Valley, CA

A meticulously maintained Mid Century Modern gem, overlooking the ranches and vineyards of the Santa Lucia Mountains and only a short drive to shops, wine tasting and restaurants. Re-built in 2008, this single story, three building compound is connected by a central breezeway with a custom water feature. The main house has two bedrooms with a possible third if needed, three bathrooms, oversized primary en suite with walk in closet, sauna, jetted tub and radiant heated floor. There are two fireplaces, floor to ceiling windows opening up to the breathtaking views, patios for outdoor entertaining and a glorious solar/gas heated pool. The remodeled kitchen in 2015 has custom made Belmont Euro-style cabinets, marble island, Bosch induction cook top with range hood and Sub-Zero refrigerator. In addition is a lovely casita with a full bathroom, kitchenette and a separate flex/bedroom with Murphy bed. The almost flat full acre lot is surrounded by drought tolerant gardens with walking paths, vegetable garden, water feature along with many places to sit and enjoy the zen atmosphere. All this and just a short drive to the iconic Carmel beach, shops, hiking and the Big Sur Coastline.
