La Jolla Shores, La Jolla, CA

A beautiful midcentury gem designed by Taliesin Architect Loch Crane in San Diego. Remodeled ground floor unit with a private landscaped patio, mature trees, and access from bedrooms and living room seems like a perfect blend of indoor and outdoor living. Details such as the expansive primary bedroom, en suite bath, and well-proportioned secondary bedroom make it an inviting space for both family and guests. Not to mention an optional 3rd bedroom or office space. The interior features, a wood-burning fireplace, create a warm and welcoming atmosphere. The chef-designed kitchen with stainless appliances and quartz countertops adds a touch of modernity to the classic design. Additionally, amenities like the pool, spa, gym, tennis courts, and clubhouse make it a well-rounded living experience. The central location with easy access to beaches, UCSD, freeways, and shopping adds to the appeal, making it a convenient and desirable place to embrace the coastal lifestyle on a short 10-minute walk to La Jolla shores. It seems like a fantastic opportunity for classic coastal living!
