Bring your contractor to this fabulous find! Fox dr. was built in 2006 with almost 1500 square feet featuring 2 bedrooms, 2 baths and an additional room that could be a third bedroom or den. Formal entry and high ceilings with upgraded lighting and fans throughout. The floorplan is on trend with the kitchen open to the living and dining space. The kitchen island has a Jen-Aire down draft cooktop/grill. Newer flooring, newer blinds and accent walls compliment this inviting home. The 2 guest bedrooms have newer carpet and the oversized master has wood laminate floors. The master bath features a jetted tub. The views are stunning with majestic pines, the setting peaceful and private. The deck was recently damaged in the last round of storms. Worth the effort to bring this jewel back!
