3 Bedroom, 4.00 Bathroom, 3,707 sqft  
Residential on 1 Acres

North Wawona, Yosemite, CA

Tucked away inside the world-famous Yosemite National Park sits the majestic Grandview Estate, located in Wawona, California. The Grandview Estate is built on an acre parcel and features a 3 bedroom, 3.5 bathroom home with an attached garage, an upstairs apartment, and two renovated cabins with new bathrooms. This beautiful estate is protected by dual wrought iron gates and is a symphony of stone and glass that blends perfectly into the picturesque landscape of Yosemite National Park. The entire downstairs is floored in hydronically heated quartzite and is a compliment to the two-story wood-burning river rock fireplace in the great room. Take a look outside through the 15-foot windows that feature views of the Merced River as well as Wawona Dome. French doors lead from the great room, dining room, and master bedroom to the deck and the river beyond. The main home is traditional and rustic. The interior walls and glass are complemented by heavy wooden beams in the dining room and fireplace mantel. The chef's kitchen features a butler's pantry and a commercial-style Viking stove. For most, Yosemite is a magical vacation destination. However, what if it wasn't just a vacation? What if you could experience the Grandview Estate and all its breathtaking surroundings every single day? Whether it's the snow-capped mountains or the serene sound of the river passing by, the beauty of Yosemite National Park is unmatched.
