This beautifully designed beach house is located in Del Mar's most secluded and gated oceanfront community aptly named Sandy Lane. Originally designed by the award-winning architect Rob Wellington Quigley, the multi-level residence has a seamless blend of indoor and outdoor spaces. Its present-day owners recently remodeled the property with exceptional attention to detail. Its four bedrooms are individual cottages, each with a carefree coastal aesthetic: think whites, neutrals and pops of color art. You'll enjoy the bright open spaces, the outdoor patios and the Zen-like flow as you make your way up to the living room and kitchen. Encased by glass, the sunlit entertaining space offers breathtaking ocean views, while the airy bright kitchen is a chef-friendly gem. This beach house is the ultimate retreat for a family beach vacation or couples seaside getaway, as it offers an extraordinary private escape. The house is a maze of cozy nooks and creative niches, from its garden patios to its rooftop deck that affords 360-degree views of the ocean and lagoon. As you sip sunset cocktails up top, you can watch the surfers charging waves in the company of dolphins. Whether you want to paddle out or picnic on the golden sands, this stellar beach house gives you front row access to one of California's finest beaches and a true taste of Del Mar's coastal-chic lifestyle.
