Olde Del Mar, Del Mar, CA

This stunning modern home in the secluded hills of Olde Del Mar is an entertainer's paradise, featuring an open layout, high ceilings, and abundant natural light. The minimalist white walls invite personal artistic flair. Architect Batter Kay designed this four-bed, three-bath masterpiece with breathtaking ocean views. Enter through the glass door to discover an awe-inspiring interior leading to the primary suite with a private ocean-view deck and a spa-like bathtub overlooking the sea. Two additional guest suites, one with a walk-in closet, and a full bath are also on this level. The lower level houses a fourth bedroom, currently a home gym with an ocean-view deck and plunge pool, ideal for post-workout recovery. The kitchen opens to a new BBQ deck with a Traeger smoker, leading to an 800 sq ft rooftop deck offering panoramic ocean and Del Mar city light views.
