CHULA VISTA GEM! This one is a showstopper / a must see! Cancel all of your appointments, you found it. Whatever I write will give it no justice, simply come see it and thank me later. The owner, not an investor, remodeled every inch of this home while working side by side with an interior designer. Everything is new, the list of upgrades is attached in the MLS and also available for you to review at the home. In short, everything in the interior was upgraded and the exterior was just painted. This gem features solar panels, water softener system, 3 big bedrooms, two beautiful bathrooms, a nice open floorplan, a center piece gas fireplace, a gourmet kitchen, a closed-in sunroom, a spacious two car garage, a nice size flat backyard equipped with three sheds, mountainous views with a breath taking sunset front row seat. Additionally, there is a handyman's dream man cave/workshop on the side of the home with more custom storage space than you will need. Hurry you will regret that you did not take off work to come see this one.
