Don't miss the opportunity to enjoy living in the sought after community of Ocean Hills. A charming 2 bedroom plus Den (in the primary bedroom) 2.5 bathroom home perched on the hill providing you with an abundant view sweeping along the coastline from San Diego to Dana Point and Catalina. Enjoy the panoramic view from nearly every room in the home. Sip your coffee in the morning on one of your (2) private patio/decks or enjoy watching the sunset in the pacific ocean while relaxing on your private balcony that expands the living area upstairs. In addition to the large 2 decks you have downstairs, and the (1) large balcony upstairs, you will also have the pleasure of creating your own garden (should you choose) with the leveled open space provided off the western facing extra large deck. Great location to grow an abundance of fruits, vegetables and flowers or maybe a play area for little ones? Ocean Hills Community has 2 heated swimming pools, a pitch and putt golf course, basketball court and community center. Not to mention you are a short distance to shopping and dining and near the freeway making commuting a breeze, yet far enough away you won't be bothered by the noise. This really is a perfect place to call home.
