Brand New Construction by Custom Home Builder Olive Avenue Homes. Located in the heart of Downtown Huntington Beach. Only the finest construction materials, finishes and craftsmanship are utilized by Olive Avenue. This energy efficient property is powered by Solar Panels! Towering 10 ceilings on the first level with two story ceilings in the family room, 9 ceilings on second level and vaulted ceilings on the master penthouse level create a tremendous sense of volume and grandeur. Your main floor living area presents a completely open concept floor plan that flows seamlessly from your kitchen, family room and out through bifolding doors to the finished front patio for entertaining. The second-floor features 2 bedrooms with ensuite bathrooms, plus a loft/optional office/gym. Traversing to the third level with vaulted cathedral ceilings, you will find a 550 square foot Master Bedroom penthouse with a deluxe master bathroom and walk-in closet. An absolute wow factor to this property is the 210 square foot third level covered deck. Now is your chance to secure this home from a limited collection of some of the finest beach homes built in Huntington Beach. Visit oliveavenuehomes.com to learn more about the team.
