Residential on 0 Acres

N/A, Lake Forest, CA

Welcome to 21916 Shenandoah!~ If living in a gated community is your thing, youve got it. If having a park for your kiddies and a jogging/biking trail the likes of Aliso Creek Trail, youve got it. How about a move-in ready home thats been remodeled for you? If any of these features sound enticing, lets keep going. Enter this home and the first thing youll notice is the voluminous ceilings rendering a home flooded with light. Natural lighting is known to have added health benefits and this home has it in spades! Theres also added recessed lighting to take it up a notch and thick white vinyl shutters to frame your windows. Youll see a complete kitchen redo with not one but two added islands and a dining area abutting to the living room. Your kitchen sink faces the backyard so doing dishes just got a whole lot easier. To your right is a separate family room facing the great outdoors replete with your very own lemon, lime & orange tree!~ If the master bedroom is your thing, youve got a HUGE master with your own makeup space (or reading nook). High ceilings and added paneled walls dress up this already good looking bedroom. Master bathroom remodel with a larger than average walk in shower with marble walls. Upstairs you have 3 additional bedrooms, one of which is directly across from the master so upon awakening, you can stumble across the hallway to your in-home office (currently set up that way) but has a walk-in closet if youd prefer to use it as an extra bedroom or nursery. At the end of the

hall, you have two additional bedrooms both well sized with full paneled walled in c
