Residential on 0 Acres

N/A, Rancho Palos Verdes, CA

You'll find this terrific one-level 4 bedroom home at the end of a Cul-de-Sac which is uniquely located way behind Peninsula High. The owners made major high quality remodels over 20 years ago, and a few facelifts and upgrades have been made during the past few years. The real hardwood floors still feel nice; dual pane windows/sliding doors and smooth ceilings with recessed lights in the living room and kitchen area look good. Recently, the interior has been freshly painted; kitchen cabinet doors were also lacquer painted. It is now ready for a new owner to move-in with potential upgrades in the future. City and a bit of Long Beach harbor view from 3 rooms is one of the great features of this home. The owner collected cacti from various places and created a cactus garden covered with red pebbles.

Built in 1961
