Newly transformed haven nestled in the heart of San Marino! This meticulously renovated modern estate stands as a testament to opulence, with every inch thoughtfully crafted for a lifestyle of grandeur. A symphony of light and luxury unfolds within its walls, the allure of a canvas of marble floors that stretch throughout. This architectural masterpiece, adorned with a unique arched front door, beckons those with an eye for the extraordinary. Step beyond the threshold into a world of glamour, where the foyer unfolds into a large formal living room. Anchored by a fireplace boasting book-matched natural marble from floor to ceiling, this space is graced by multiple French doors that gaze out upon a covered loggia. Pass through hallways flanked by charming, enclosed courtyards, leading to a generously grand family room with ceilings that soar to twelve feet. From this vantage point, gaze out the French doors to the sparkling pool and a full-size lighted and newly resurfaced tennis court in the rear yard. Two private suites flank the family room, one with direct access to the inviting swimming pool, while a third bedroom en-suite bedroom offers a private retreat. The extra-large kitchen is a gourmet chefs dream. The brand-new luxury kitchen features a super-sized central island, and top of the line appliances, and a large glass-paneled garden window lights up the entire kitchen. The casual dining space adjoining the kitchen showcases a Nero Marquina Marble fireplace. Walk from the

kitchen through the sliding glass doors to the adjoining patios to enjoy your morning coffee.
