Residential on 0 Acres

Welcome to this classic beach bungalow on the ocean at Faria Beach Colony. The decor is "shabby chic" and is accented by a flagstone entry, open beam ceilings, and plank vinyl floors, and most of the windows have been upgraded. From the patio you can watch the daily marine wildlife show: pelicans diving, seagulls soaring, and the occasional sea lion or dolphin cruising by. Once you have spent 20 minutes on the patio listening to the waves splashing virtually at your feet you'll want to make this house your home!

Built in 1963
