South of Market, San Francisco, CA

Majestic & historic, this hidden city estate on a tree-lined block of The HUB is set in a exotic landscape of towering palms, bamboo & flowering native plantings. It's rustic elegance, the result of decades of hands & minds, is a lush world of pure wonder. A powerful lure to creative souls, this residence serves the natural world & SF centrality in equal measure. The rich provenance from pipe organ builder & ecstatic bath house to Asian antiques gallery informs the deeply considered expansive built environment. Two well-appointed dwellings are poised for a sophisticated city life, daily retreat, large scale entertaining and working space for endeavors of all kinds. The main house, like a stand of Sequoias, is a forthright rugged space, anchored by soaring open-beamed ceilings & tall garden infused windows. Living, dining, & kitchen are open to a mezzanine which provides access to 3 beds, 2 baths & office quarters. Main floor includes a projection room, butler's pantry/catering kitchen & 3 baths. Pristine guest cottage with classic detailing + fresh modern finish plus deck overlooking the garden. Animated by proximity to Civic Center, Hayes Valley & Arts, + tech hub, St Joseph's Arts Society, Presidio Knolls School, Rainbow Grocery, The Oasis. This is a once-in-a-life treasure.
