Residential on 0 Acres

Sea Cliff, San Francisco, CA

540 El Camino Del Mar is quite simply one of San Francisco's most exceptional Estate Properties. How many homes in our enchanting City combine the prominence, privacy, size, and utility of the land (which is a walled and gated, flat and usable corner parcel measuring 17,149 Square feet, per tax records); with the grandeur, scale, and volume of a 1926 Italian Renaissance Villa (of some 20 rooms on three floors, measuring 10,961 square feet, per draftsman); with the aesthetic beauty, utility, craftsmanship, construction methods, and use of rare and valuable materials; with dramatic views that stretch from the Pacific Ocean, to the Marin Headlands, to mouth of the Bay, to the Golden Gate Bridge; in one of the most sought after neighborhoods in San Francisco; with such immediate access to parks, beaches, golf courses, museums, fine schools, and local shops and restaurants; with the soul and playfulness of this utterly unique Estate Property? This is a place that flawlessly balances boundless beauty and grace, with childlike mirth and exuberance. It is a place of hopes and dreams, and of joy and laughter. And after more than three decades of love and devotion in the hands of its current steward, it is a home that awaits its next blissful chapter.

Built in 1926
