Known for her nurturing and protective qualities, you will feel renewed and revived living in this beautiful oasis with incredible, exclusive use of the extensive outdoor space. A two-level condo in an owner-occupied, remodeled two unit Edwardian building in SoMa on the cusp of the Inner Mission, 24 Isis is a sanctuary worthy of a goddess. The living room exudes period charm with its bay window, hardwood floors and ornamental fireplace. The remodeled kitchen boasts quality stainless appliances, open-beam ceilings, and a cozy eat-in breakfast area that opens to the rear deck and garden. The primary bedroom, a secluded retreat on the lower level with en-suite bath, features exterior French doors that lead to a deeded backyard adorned with lush gardens and multiple deck/living areas.
