

\$899,000 - 1160 Mission Street 601, San Francisco

MLS® #423927249

\$899,000

3 Bedroom, 2.00 Bathroom, 1,331 sqft
Residential on 1 Acres

South of Market, San Francisco, CA

Welcome to your not-so-humble abode in the sky! This rare gem of a 3-bedroom, 2-bath condo in a fabulous full-service high-rise is more than just a place to hang your hat. Built in 2008, it's the perfect playground for your work-from-home shenanigans, silent disco dance parties, and those not-so-surprise visitors who just can't get enough of your company. Let's talk space: three bedrooms means you can sleep in one, turn another into your ersatz office, nursery (or pillow fort - no judgement), and still have a spare for a relative or that friend who 'just crashed for a night' two months ago. And with two bathrooms, you can sing in the shower as loud as you want without worrying about hogging the bathroom from your roomies, family, or that aforementioned long-term guest. Parking? Yes. So, if you're looking for a place that's part sanctuary, maybe part office, and all sorts of awesome, you've hit the jackpot. Come check it out - your future (and slightly more fabulous) self will thank you!

Built in 2008
