The Total Offering is \$3,000,000 Which is \$300,000 for the Tommaso's Business. \$2,700,000 for the Building. Tommaso's is a historic Italian restaurant located in the heart of San Francisco, nestled between North Beach and Chinatown. Tommaso's is a thriving business with indoor/outdoor seating and featured on every hotel's 'favorite restaurant' concierge list. The restaurant boasts a cozy, rustic atmosphere, making it a perfect spot for a casual dinner or special occasion. With its rich history and reputation for serving some of the best Italian food in the city, Tommaso's private wine labels and pasta sauce have earned their way into big name grocery stores like Whole Foods, Amazon and more. Background: When the Naple-born Cantalupo family first opened their restaurant in 1935, it brought the first wood-fired brick oven to the West Coast and served closely-guarded Neapolitan recipes that their family had been passing down for generations. Decades of success later, the Crotti family took over ownership and vowed to continue the tradition of delicious food and the warm, family-focused Italian hospitality that the Cantalupos had built their foundation. Somewhere along the line, a beloved North Beach Italian restaurant became a SF institution, and the rest is history.
