Residential on 0 Acres

Silver Terrace, San Francisco, CA

Here is your opportunity to buy the best house in Silverview Terrace. This generously sized 1,600-square-foot single-family home is a rarely available end unit with features you won't find anywhere else in the neighborhood! The home has only one shared wall, windows on three sides, an enormous private yard with mature landscaping on a 5,000+ sq.ft. lot, a two-car attached garage, and downtown and SF bay views from the three bedrooms located on one level. Enter the main living level from the fenced yard or directly from the attached garage, and you'll find the kitchen with new stainless steel appliances, a dining area with sliding glass doors that open to the yard, and a living room with both a fireplace and a bar area. The smart layout has all three bedrooms, the bathrooms, and laundry upstairs. The en-suite primary bedroom has large south-facing windows, a shower with river-rock details, and bay views. The two additional bedrooms face north and share a bathroom off the hallway. Whether your daytime destination is Silicon Valley, downtown, or your home office for zoom calls, the location at the top of the Bayview and Silver Terrace neighborhoods offers great weather, easy transit access, and nearby freeways.
