With this timeless architectural and updated transitional style, you will find yourself in the perfect secret spot of San Francisco. And being on Mt Olympus, obviously the views are heavenly (sorry I could not help myself). But the enchantment doesn't stop at the cute name of the mountain top, it just begins.

2-Car Parking. Views. Designer Finishes. Move-In Ready. You have everything you will need to make this your perfect home in San Francisco. One of the best features has to be the street-to-street lot with terraced garden.

The garden features English roses, boxwood borders and Camellias. In the backyard, escape to an unparalleled oasis of beauty. Back inside, the home just feels warm and comfortable. Notables for the house include custom stained glass, Quoizel lighting, Loewen Bay/Awning windows framing sweeping views, a chef's kitchen with Perrin & Rowe Rohl fixtures. The primary bedroom boasts downtown panoramic views as only Zeus and Hera would have it. Found only at the top of Mt Olympus will you truly find the pinnacle of San Francisco living.
