Residential on 0 Acres

Eureka Valley/Dolore, San Francisco, CA

This beacon of wonder sits high on a hill in Dolores heights as if it were plucked from the pages of a fairytale book. Enter through the antique dutch door and transcend into a den of serenity. The architected landscaping delights the senses with an enchanted garden bursting with florals in every hue, fragrant jasmine and a gentle water treatment to tickle your ears and relax your mind. Inside there's a symphony of light and space, with soaring ceilings and windows at every turn weaving a tapestry of dappled sunlight, verdant outlooks and hillside views. The remodeled kitchen is a chef's dream with a Wolf range top, Miele ovens and dishwasher, a Sub-Zero wine dual zone wine fridge, and storage extending to every nook and cranny. The bathrooms each boast custom finishes including heated floors, Waterworks fixtures and tub, wood-stained wainscoting, and Carrara marble tile. Retreat to the garden hideaway -- a space where the options for use are virtually endless: work from home without interruption, cuddle up with a favorite book, or sweat it out in an exercise room of your choosing. The outdoor spa tub, central air conditioning and the expansive garage with side-by-side laundry complete this remarkable home. Pinch yourself this is not a dream. It is your dream home realized.
